Selina

Below are the drafts of the responses I had been unable to get into the pro forma questionnaire boxes 13, 14 and 15 for electronic submission. If there is any way you can make that work for me please do.

I shall in any case transmit to you my otherwise completed and signed questionnaire, electronically, perhaps with single line entries for 13,14 and 15 which can be replaced if possible by those below.

I could, additionally if you ask, send a version complete except with blanks at 13,14, and 15 for the addition of the sentences below, if that seems more likely to succeed.

13. *Have you ever sought permission .....*

Yes

As a young member of Winsley Parish Council I was aware the dumping space was unlikely to be needed for some years for a proposed Relief and Distributor Road. We enquired of Wiltshire County Council whether it could be used as an informal play area, managed by the Parish Council.

14. *Have you ever been granted or denied permission .....*

Yes

I attended a meeting with the County Solicitor at County Hall, seeking consent for the vacant land to be used for informal casual play, managed by the Parish Council, unless and until needed for part of a Relief and Distributor Road. Letters were received by the Parish Council confirming that arrangement.

15. *Are you aware of any attempt made by notice, fencing or other means to prevent or discourage use ...*

No

I am aware the land has been used throughout, as agreed, without challenge. The road was eventually constructed on a different line, finally after a Local Public Inquiry in 1995, and opened in 1997. I remained a member of Winsley Parish Council continuously from 1970 to 2011.

12. Until the auction in March 2021, who did you think owned the Land? Please give any details.

I always thought it is the council/village. No one ever restricted use, prevented bonfire building, play etc. I thought it was originally for the bypass, hence belief it was council owned.

13. Have you ever sought permission to use the Land? If 'yes' who did you seek permission from?

Yes  No  Don't know

Wasn't ever any reason to - it was open access from the road with no restriction or signage

14. Have you ever been granted or denied permission to use the Land? If 'yes' please give details.

Yes  No  Don't know

No one ever spoke to me or my friends about using the land. When we built the bonfire in the run up to Nov. 5<sup>th</sup> there were no comments or attempts to prevent us. Lots of families attended, fireworks were let off, potatoes and sausages cooked.

15. Are you aware of any attempt made by notice, fencing or other means to prevent or discourage use being made of the Land by local inhabitants? If 'yes' please give details.

Yes  No  Don't know

In all the time I used the land (and whenever I have seen it since - my mother lives in the village and used the land on bonfire night(s) with me, my father and sister), I never saw any attempt in any way to restrict my use of the land or anyone else's.

16. If you have any photos or other evidence of use of the Land by local inhabitants please provide a copy with dates.
