March 18th 2021

The Clerk to Winsley Parish Council

Dear Ms Jobson,

Like many residents I was surprised to learn that the area at the end of Northfields was in private ownership and was to be sold despite having been used as a play area for the community ever since the estate was built.

Sarah and I have lived here since September 1997. This was shortly after the completion of the by-pass; indeed, when we arrived, we were getting circulars inviting us to lodge claims for the disruption it had caused. As our daughter was at pre-school age, we were delighted we could use it to kick a football around or play with a fling-a-ring. Other children were often seen there using it for the same reasons.

It was a great shock to hear that future children are to be deprived of this facility. Certainly, there was no sign asserting continued ownership by the original developers, it having been in practice a community facility for getting on for 40 or so years and indeed it having been maintained by the parish council throughout that time.

Yours sincerely,

Robin Davies
