Northfield Play Area, Winsley, Wiltshire

We have seen the Northfield play area in use since we moved in in 1979 to the present day. Our son played with balls there with us in the 1980's. In about 1992 our daughter was playing up there with our son and his friends and she got hit on the head with a cricket bat. Chris ran home in a panic to get us as he thought his sister was dead as she was lying on the ground!

Our children and their friends would frequently have used it to play ball games including rugby, football and cricket as well as for kite flying and throwing a frisbee from 1983 to about 2000. The boys also built a bike jump there, according to my son.
