Miss Roberts,

I wish to register my disagreement with this decision.

Ordnance Survey mapping for the area, surveyed between 1875 and 1885, published in 1887, clearly shows an unrestricted route called 'Mud Lane'. Its present day route is identical, further the mapping appears to show what appears to be the existing landowners property shown on the southern edge of the lane. This RoW clearly existed before the current owner purchased the property and while he has chosen to turn that area of land into a mown lawn it should not be used as an excuse to divert or extinguish an ancient RoW.

Regards,
David
