Dear Mrs Roberts,

Re – The Proposed Diversion of Bridleway Purton 104 (part)

With reference to the correspondence sent to our Chairperson, Michelle Haley, regarding the above, proposed diversion.

I write to state that the Wiltshire Bridleways Association discussed this proposed diversion at our committee meeting on the 8th July 2025 and after much deliberation decided to support this diversion. It was thought that as a bridleway, the route was more harmonious for riders.

Yours sincerely

██

Rosie Cunningham
