Dear Ali

I am confirming my support for Purt 104  
the alternative route is far better for all concerned .

Regards

As a neighbour of Restrop farm, I walk the area daily. I am in support of the diversion, it seems clearly in the interest of the walkers and horse riders and for the house owners.

It's also safer for all parties-and safer for livestock, which are less likely to get out via the garden onto the road.

Regards  
Mark Wakefield
